Thank you for your interest in the Long Beach-area Jewish Community Study! This survey will study the needs and interests of the Jewish community in the Long Beach area. This study is being conducted by a partnership between NORC at the University of Chicago and Brandeis University. The study is sponsored by Jewish Long Beach.

This survey will not benefit you directly. Your participation in this study will help inform the work of local Jewish organizations.

The survey is completely voluntary and can be completed by any adult, 18 years or older, in your household. You can skip any question you wish or end the survey at any time. The survey may take about 20-30 minutes to complete. Any information you provide will remain strictly confidential and will never be used to identify you individually in the study data or any reports.

This message serves as your informed consent to participate in this research.

For technical questions while taking the survey, you can contact NORC at lbajcs@norc.org or 877-295-0025. If you have any other questions or concerns about the research, you can contact CMJS at 781-736-2936 or LBJCS@brandeis.edu.

This research was approved by an office/committee that oversees the ethics of research at Brandeis University. If you have any questions about your rights – or if you have concerns about the study – you may contact them at 781-736-8133 or irb@brandeis.edu. Please include "Long Beach-area Jewish Community Study" in your message.
